

Stainless Steel Squeegee Complete With Channel And Rubber - 10"L / Black/ Silver

Keep your windows sparkling clean with the stainless steel squeegee to clean any flat, smooth surface. It has an ergonomic design which is preferred by professional window cleaners and features a fast-lock handle for quick blade and channel changes. It covers a large surface area and delivers superior, streak-free results.

Key Features

- Stainless steel – lighter & stronger than brass
- Non-slip rubber grip handle is comfortable in all weather conditions
- Coin adjustable screws hold the channel at desired tension
- Includes "S" channel and complete with soft rubber blade
