

Black 5 Mil Nitrile Gloves Powder-Free - Medium / Black / 10 Boxes of 100

Black nitrile 5 mil gloves are Latex-free, allergy-free gloves that feature an extended cuff that go past the wrist to provide further protection from splashes and debris. This creates a protective barrier between harmful substances and your skin. These medical grade gloves are ideal for use in nursing homes and hospitals. Applications range from industrial use, automotive, tattooing, cleaning services and more!

Key Features

- Disposable & powder-free for extended use
- Textured fingertips for tactile sensitivity
- Comfortable, durable, tear & puncture resistant
- Licensed medical device & Health Canada approved
